

May 2019

## Tri County Development Briefing

---

### Update

#### Compass Nova Scotia

The Compass Board of Directors met in April and completed a Strategic Planning Session. A vision, mission and strategic direction was agreed on and both a new logo and website will be launched at the end of May 2019.

#### Development

##### **CMHC Seed Funding Application**

Compass NS completed and submitted a SEED funding application to CMHC in April 2019.

##### **Heritage Hall – Shelburne**

TEAL Architect completed measurements and created As-found drawings of the Shelburne Heritage Hall site. Next steps include schematic drawings for this property.

##### **Barton School**

TEAL Architect completed measurements and created As-Found drawings of the Barton School property. Next steps include environmental assessment testing and schematic drawings for the property.
