

Danny,

As secretary of the Abram's River Schoolhouse Society, I am writing in regards to the Community grant. We received the \$500 grant last year which helped us to repair the roof on the schoolhouse, it was greatly appreciated. Having said all that we are asking to receive the \$500 Community grant again this year to further help with the schoolhouse repairs.

Thank you in advance,

Abram's River Schoolhouse Society,

Secretary,

Lisa Fiander
