

Municipality of the District of Argyle

Item: Argyle Active  
Transportation Committee

Date: November 15, 2019

### **VISION STATEMENT**

We see Argyle as home to a healthy and thriving rural population. Our municipality promotes and supports economic and social opportunities for the region, and engages in the active expression of our unique Acadian heritage. We are a place of choice for rural living and are widely recognized for our warm hospitality and joie de vivre. Surrounded by fresh air and cool ocean breezes, we work and play in the great outdoors. People choose to live in Argyle because of our commitment to each other, to our community and to our neighbors. Argyle is a place we are proud to call home.

### **MISSION STATEMENT**

Argyle will provide affordable traditional municipal services for our citizens. Furthermore, Argyle will provide leadership by being actively engaged with the business community to understand their needs, and facilitate growth. We will create innovative programs to foster growth both for community and industry. We will create an environment where our residents seek our partnership in the projects that matter most, and we will provide the expertise needed to ensure those projects are successful. We seek to support and instill cultural pride and a sense of place in our communities. Our mission is founded on the belief that our community assets are plentiful, none more precious than its people, and that Argyle's assets possess the answers to our most difficult challenges.

### **Background:**

MODA hired Upland consultants to create an Active Transportation Plan in 2016. The plan was adopted by Council in July 2016. One of the action items in this plan is to create an Argyle Active Transportation Committee to carry out the plan.

The Director of Recreation Service and lead of the Active Transportation Plan actively sought individuals to serve on Argyle Active Transportation Committee. The following is a list of individuals who have agreed to serve on this committee:

Charlene LeBlanc – Community Development Officer  
Racheal Surette – Public Health  
Dwayne Landry – Tri-County Regional Centre for Education  
Pam DeViller – CSAP  
Ally Greene – Youth  
Katrina Larkin – Member of the community at large  
Misty James – Community Health Board  
Glenn Diggdon – Councilor  
Ginette d'Entremont – Director of Programming & Active Living  
Natalie d'Entremont – Director of Recreation Services

**MGA, Costs and Budget Considerations:**

---

No cost to form a committee.

**CAO's Recommendation:**

---

The CAO may attend any meeting that is a committee of council, as can any councilor seeking to obtain information. This is a strong committee of willing members and I would recommend that council accept this subcommittee as a subcommittee of council.

**Suggested Motion**

---

Move to accept the committee members for the AT Committee as listed.
