To Whom It May Concern:

The Hubbard's Point Community Centre will be holding its 19th Annual Fundraising supper on Saturday March 7th, 2020.

Proceeds from this event go towards the operating expenses of the Community Centre as well as our projected playground. We appreciate any donations of food items used in the preparation of traditional Acadian food dishes that will be sold. We will be serving primarily seafood chowder and rappie pie, along with baked goods, therefore we are most interested in donations of fish chowder ingredients, etc.

Our Association is a non-profit organization incorporated under the Nova Scotia Societies Act. A volunteer Board of Directors governs the Community Centre. No salaries are paid to any member of our Association. This undertaking is dependent upon the good will and generosity of business, volunteers and private individuals. We hope that you will give our request positive consideration. Thank you for your generosity.

President,
