February10/2020

Dear Councillor Surette,

We have formed a committee in order to try to get a sign that will welcome visitors to Surette's Island .This sign will be very similar to the ones already installed in Abram's River and West Pubnico. We have gotten a quote from L&N Signs in Yarmouth of \$450.00 plus taxes.

We are therefore applying for a District Community Grant of \$500.00 to help us defray the cost of buying & installation of this sign.

We hope for a favourable reply. Thanking you in advance

Anne Surette
