Feb. 10/2020

Dear Councillor Surette,

The Indian Sluice Seniors Club is in the process of planning activities for 2020. This year we are in the process of buying a shuffle board mat, suppers and entertainment and we need some funding to offset the costs. Therefore, we are applying for a district community grant of \$500.00 to help achieve these activities.

Thanking you in advance of your continued support,

Sincerely,

Dianna Surette
Co-President
Indian Sluice
Seniors Club.
