To whom it may concern,

The Social Action Committee is asking for financial assistance in helping members of our community who are going through difficult times. Our committee will help when someone is unable to work because of medical problems, for example: paying for travel expenses for chemo and radiation to and from Halifax, filling oil tanks, helping with groceries or whatever is needed the most.

If the Social Action Committee is contacted, we will keep it confidential, unless we have to do a community fundraiser. At this time, any financial assistance would be greatly appreciated.

Thanking you in advance, I remain,

Yours truly,

A handwritten signature in cursive script that reads "Sally Malone".
