Dear Council:

**RE: SEWER (PID 90077413) - JOHN STREET, MIDDLE WEST PUBNICO**

We have been in discussions with your staff over the last while concerning the extension of the sewer line along John Street to our lot located next to 71 John Street, in particular PID 90077413.

This is to request that , subject to a proper easement (now in the works) being completed and recorded, the connection to the above-mentioned lot be approved.

It is our understanding that your approval is required in accordance with the West Pubnico Sewer By-Law.

Also, it is requested that the sewer connection fee and capital sewer fee be waived.

If approval is granted then at our costs we shall install the sewer lateral.

If you require anything further, please contact us.
