Dear Mr. Houston,

At a Committee of the Whole Council Meeting on November 23, 2021, a Councillor brought forward concerns raised by his district's residents regarding the lack of plowing at the Seniors Home on the Chemin de L'Est in Wedgeport. This road does not get plowed regularly during storms and often leaves residents missing medical appointments, and unable to get out in the case of an emergency. Due to safety reasons, the Council for the Municipality of Argyle is requesting Chemin de L'Est be plowed at the same time the main road gets plowed.

Given the concern and request of the residents, Council respectfully requests that the department of Transportation and Infrastructure Renewal look into this matter.

Thank you for your consideration of this matter.

Sincerely,

Danny Muise  
Warden
